Principals Report
During week 5 we had another very successful mid-term assembly with many music and dance performances. Well done to all the students who had the courage to perform in front of the school community. Mid Term assemblies are a celebration of all the fantastic contributions that students make aligned to our school values of Learning, Opportunity, Respect and Safety. Below is a list of all the award winners for term 3.

On Friday 4th September our school celebrated ‘wear it purple day’. As a member of the ‘Safe Schools Coalition’, Cosgrove High support same sex attracted, intersex and gender diverse students, their families and teachers, while taking a zero-tolerance approach to homophobia and transphobia in the school community. The day was a day of unity and strength in showing support for all members of the community. The day coincided with ‘Footy Colours Day’ which raises awareness for the fight against cancer. The day was a huge success with all students enjoying the fun activities, music performances and food. It was certainly a day I was very proud to be Principal of such a progressive and supportive school.
CAMBRIDGE PRIMARY VISIT

On Tuesday 18th of August a group of Cosgrove High School students went to Cambridge Primary School to talk about their refugee backgrounds with two Grade 5/6 classes. In History these student are learning about Migration and people movement so they were very interested in hearing the stories from some of our students who have come from Iran, Nepal, Pakistan and Thailand.

The students talked about their cultures, their difficulties with leaving family and friends behind and how life has changed for them in a positive way here in Australia. It was a fun afternoon with everyone having a good time. During the lunch break Mr Watkins organised a soccer game.

All in all was a fantastic outing and one to remember.

GRADE 10 INFORMATION

As a year 10 student your child will be invited to attend a range of end of year activities to celebrate the time that they have spent with staff and students at Cosgrove. In order to be eligible for these activities your child will need to meet the school expectations around behaviour, uniform and attendance.

Behaviour – maintain a positive attitude towards their peers, staff and education 

Uniform – be well presented in school uniform every day 

Attendance – attend all classes, if unwell the parent/guardian must call or send a note to explain the students absence.

The costs of the activities that your child can select from have been listed below. These amounts (of those your child wishes to attend) will need to be paid in full by November 1st 2015. Year 10 students will also be designing a seniors top this year that they will be able to order however as this will be ordered earlier in the year to allow the students to get full use out of it you will be notified of the cost and order dates separately, once the students have selected the design that they wish to wear.

In the instance that you have paid for an activity and your child is not invited to attend you will be given a refund for that activity.

CONGRATULATIONS

Roscoe Gearman for making the Tasmanian under 16 Hockey Team great effort.

Also our Grade 10/9 Netball Girls congratulations in making the finals great team effort especially after being put up to A Grade at the beginning of the season even though you only had 5 to 6 player some weeks and a special mention to Breanna Denehey (Grade 8) for playing.

Also another BIG thank you to Joanne Ward for taking the time to coach again this season your support is very much appreciated and hopefully we will see you again next year.
Parent Survey
This year school satisfaction surveys will be conducted in September. These surveys have questions on a range of matter about our school.

The survey gives parents an opportunity to prove important feedback. This feedback is valued by our school it helps us identify what the school does well also opportunities for improvement.

Random parents/guardians will receive a letter and the survey along with a self-addressed envelope in the mail. Your response will be secure and anonymous.

We encourage you to participate and complete the survey to help us make our school even better.

Thank you so much for your help.
