I’d like to take the opportunity to congratulate all our award winners for term 3. Term 3 was a very busy and productive term with many highlight events. There is no doubt that the ‘wear it purple’ day celebration was a highlight of mine, with the school community showing its care and support of sexual and gender identity diversity.

A big thank you to Trish Stennings from our Parents and Friends who organised our BBQ at Bunnings during the last school holidays. The event was supported by many students and staff who raised crucial funds for the students at this school.

Term 4 has already started with a flourish and we have had probably the highlight of the year occur last week when our ‘performing arts school’ launched the 2015 dance project. The project entitled ‘War Of Memories’ was an amazing collaboration of over 30 student’s work with the support of teacher Miss Chloe Britton. The project highlighted the struggles that children face in today’s society. The performance was a moving, emotional and inspirational story. Well done to Miss Britton and the Year 8/9/10 dance classes.

A special individual mention to Jye Williams who will be representing Tasmania at the Australian Boxing Titles in NSW later this month. Your commitment and dedication to the sport is outstanding and I know you will do yourself, your family and your school proud.

In September Cosgrove High School students were supporting children with Cerebral Palsy and “Wear it Purple” day (sexual and gender identity diversity). Cerebral Palsy is a condition that effects your muscle’s coordination that is typically caused by damage to the brain before birth.

On Friday 25th September we held a free dress day with a gold coin donation. We also had a number of activities going throughout the week starting on Monday 21st with guess the number of jelly beans in the jar, popcorn, fairy floss, milkshakes and the Cosgrove School Band performed at lunchtime.

Great effort everyone!
